

United States Department of Agriculture,

BUREAU OF BIOLOGICAL SURVEY.

E. W. NELSON, *Chief of Bureau.*

SERVICE AND REGULATORY ANNOUNCEMENTS.

REGULATIONS FOR THE PROTECTION OF LAND FUR-BEARING ANIMALS IN ALASKA.

By virtue of the authority conferred upon the Secretary of Agriculture by the act of May 31, 1920, entitled "An act making appropriations for the Department of Agriculture for the fiscal year ending June 30, 1921" (Public No. 234, 66th Cong.), conferring upon the Secretary of Agriculture the powers and duties theretofore conferred upon the Secretary of Commerce, by law, proclamations, or Executive orders, with respect to any mink, marten, beaver, land otter, muskrat, fox, wolf, wolverine, weasel, or other land fur-bearing animal in Alaska, regulation 4, of the regulations for the protection of land fur-bearing animals in Alaska, effective July 1, 1920, is hereby amended to read as follows:

OPEN SEASONS.

District 1:

Muskrat, December 16 to March 31, both dates inclusive.

Otter, mink, and weasel (ermine), December 16 to March 15, both dates inclusive.

Lynx, December 1 to January 31, both dates inclusive.

Fox, December 1 to February 28, both dates inclusive.

In testimony whereof, I have hereunto set my hand and caused the official seal of the United States Department of Agriculture to be affixed, in the District of Columbia, this 5th day of October, 1920.

[SEAL.]

E. T. MEREDITH,

Secretary of Agriculture.
